

012814 SEC-C05 Thin Layer Quartz Glass  
Spectroelectrochemical cell kit (Au)

---

- |                                  |          |
|----------------------------------|----------|
| (1) Pt counter electrode         | (012609) |
| (2) Thin Layer Quartz Glass cell | (012815) |
| (3) Teflon Cap                   | (011501) |
| (4) Purge tube (ETFE)            | (010537) |
| (5) Au Gauze working electrode   | (012607) |

Optional Product

012167 RE-1B Silver-Silver chloride reference electrode

012171 RE-7 Non Aqueous reference electrode
